

PARTICIPANT AGREEMENT

CLIENT: By committing to this agreement you are agreeing to the terms and conditions of the *Remarkable Relationships* course. This agreement sets out the context in which you will get the outcome you want. It also covers some of the issues of law governing our relationship.

1. Your Presenters/Trainers:

The presenters/trainers are accredited *Naked Therapists*. *Naked Therapy* is the creation of *Getting Naked Pty Ltd* founder, Tamra Mercieca. It is designed to help a person develop their relationship with self, based on the theory that 'self-love and self-belief are the key contributors to happiness and overall success'. Tamra Mercieca will be your main trainer for this course unless otherwise stated.

Tamra is qualified in a range of modalities: She has a certificate IV in both Life and Business Coaching and Training and Assessment as well as being trained and certified in Neuro-Linguistic Programming, Time-Line Therapy and Therapeutic Hypnosis (and has been accredited with the relevant boards of America), The Billings Ovulation Method and Conscious Pregnancy Yoga Teacher Training.

She is an accredited UI Mentor also having studied HeartMath, Positive Psychology, Energy Healing, Quantum Physics, Shamanism, Tantra, Taoism, Kundalini Yoga on top of completing a Wellness Leader Certificate. It was through this accumulation of knowledge, practical application, deep inquiry and ongoing personal insights, that Tamra developed what she now coins *Naked Therapy*.

It should be noted, your presenters/trainers and your individual mentor are not licensed. That means that he/she is not a Medical Doctor, psychiatrist, psychologist, M.F.C.C., or M.S.W. If you are currently working with a therapist or are on medication, it is your responsibility to inform them of your involvement in this course. Furthermore, nothing that happens during this course should be construed as, nor should you believe that it is a substitute for the advice of a licensed person.

2. What To Expect:

This 3-month course begins with setting a goal about what it is you wish to achieve. From there your trainer/s will educate you on the processes required to attain the desired results, giving you a step-by-step formula on how to remove the hurdles and limiting beliefs that have been holding you back.

It is vital you listen to each and every session in order to successfully complete this course. Tamra will be taking you through regular visualisations that require your full attention. Therefore, you need to be in a room where you will not be disturbed or distracted; that means mobile phones or other distracters must be switched off.

If you have participated in any form of self-development before, expect this course to be very different. Tamra will not spend a lot of time talking about the problem, just gathering information about it in order to help you identify and remove the individual limiting beliefs keeping you stuck. You will learn specific techniques to rise above your negative emotions and feelings so you can clear out any gunk that has been stored from the past, enabling you to make decisions from a clear and loving space.

3: The Process:

Each weekly audio session will be approximately one hour in length. The recording **MUST** be listened to within 48 hours of the session being released. This is to ensure you have time to complete the required homeplay. You will have access to the session audio in the private participants section of the website.

Each week you will be sent a playsheet (if you do not receive it by midday Monday of the week, please contact Tamra immediately), which you will need to have with you for the session, along with a pen. There will also be a weekly visualisation track that you will need to download from the website. This **MUST** be listened to daily for one week (from the night of the session) to achieve maximum results.

Visualisations are an important tool to reach the deeper recesses of the mind and transform the beliefs that are holding you back in life. These should **NOT** be listened to while driving, as they require you to be in a relaxed state with your eyes closed. The suggestions made during these visualisations loosen your negative programming, making your homeplay much easier to complete.

4. After Each Session:

You will come up with a list of specific tasks to do. Once assigned, these tasks are, absolutely, a fundamental part of the course. The tasks are directly related to the circumstances that created the problem you are working to overcome. **YOU MUST DO THEM.** If you do not, then neither you nor we can predict the outcome of this course.

We will give you the skills and the formula to create change, **YOU** are the one who needs to take full responsibility for your life and put them into action. Your level of commitment will dictate the results you get from this course. Therefore you are encouraged to make a commitment to yourself to complete all required tasks to the best of your ability, and to seek help, should you get stuck.

The second important point is that you will need to stubbornly focus on what you **want**. The people who are the happiest over-all in life are those who recognise they have a choice to focus on what they *don't* want or what they *do* want. You can focus on negative emotions and things that make you feel bad, or you can focus on positive emotions and things that make you feel good. It is your choice. After each weekly session, **YOU MUST**

FOCUS ON WHAT YOU WANT. If your old pattern rears its ugly head, then you must refuse to run that pattern again.

5. Support During The Course:

You will get email access to a *Naked Therapist* for the duration of the three month course. It is YOUR responsibly to ask for help when you need it and share your wins and challenges so our trainers can help you as required. While you may send as many emails as you like throughout the course, emails will only be checked and responded to three days per week.

You will also receive a one-on-one 30-minute phone session, which can be taken between week 3 and 9 of the course. **Please note: This session must be taken before the last live session.* Should you require extra assistance, one-on-one sessions are available at an additional cost to the course fee, and can be booked in at any time.
