

## CLIENT AGREEMENT

**CLIENT:** By committing to this agreement you are agreeing to the terms and conditions of Tamra's one-on-one session five-month program. This agreement sets out the context in which you will get the outcome you want. It also covers some of the issues of law governing our relationship.

### **1. Relationship and Self-Love Therapist Tamra Mercieca:**

Your therapist Tamra Mercieca is the founder of the online school *Getting Naked Pty Ltd*. Tamra is qualified in a range of modalities holding a certificate IV in both Life and Business Coaching and Training and Assessment, as well as being trained and certified in Neuro-Linguistic Programming, Time-Line Therapy and Therapeutic Hypnosis (having been accredited with the relevant boards of America) and Conscious Pregnancy Kundalini Yoga Teacher Training.

Tamra is an accredited UI (Universal Intelligence) Mentor, has completed the teacher training in The Billings Ovulation Method, has undergone Lifeline's Asist (Applied Suicide Intervention Skills Training) as well as completing a Wellness Leader Certificate. On top of this, Tamra has studied HeartMath, Positive Psychology, Energy Healing, Quantum Physics, Shamanism, Tantra, Taoism, Zen teachings, Body De-armouring, Alexander Technique and Laughter Yoga with teachers world-wide.

It was through this accumulation of knowledge, practical application, deep inquiry and ongoing personal insights, that Tamra developed what she now coins *Naked Therapy*; the modality upon which she will work with you to help you heal the issue/s you have enrolled in the program to heal.

Tamra is a legal Complementary Healthcare Provider, and not a licensed Medical Doctor, Psychologist, Psychiatrist, Master's in Family and Child Counselling (MFCC), or a Master's in Social Work (MSW). The services you receive are not licensed in this state, nor are they regulated by a governmental body. If you are on medication you **MUST** inform your therapist. Furthermore, nothing that happens during this course should be construed as, nor

should you believe that it is a substitute for the advice of a licensed person.

## 2. What to Expect:

**If you have been in a therapy session before, expect that this one will be very different.** We will not spend a lot of time talking about the problem. It is very important for us to discover the internal thought process of HOW you create the problem – what limiting beliefs are creating the issues you are experiencing – so that we may quickly and effectively clear the problem at the root cause.

Tamra will help you gain awareness of why your life is the way it is and what needs to happen in order for you to move forward. The session will include the identification and removal of limiting beliefs that are holding you back, with new, more positive beliefs installed into the subconscious mind. Each session will end with you being set homework that **MUST** be completed before the next session.

This program includes ten fortnightly sessions (approx. one hour each) over five months. During this time you are expected to commit to the process and be available for ALL sessions. You will receive unlimited email support throughout the program, during which time you are to email Tamra as problems arise. Tamra will be available to answer your email three days per week.

NOTE: Because these sessions are conducted via phone/Skype it is essential you ensure all mobile phones or other electronic devices are switched off (or on silent) and you are in a place where you will not be disturbed for the duration of the session. *Naked Therapy* requires your full attention in order to gain optimum results.

In addition to this you will also receive 5 Love Infusions (energy healing sessions). It is your responsibility to create the time and space to take part in these sessions. These are a crucial part of the program, and will greatly increase your ability to achieve the goal you set in the first session with Tamra.

## 3. After the Session:

Tamra will assign you some very specific tasks to do; homework! If assigned these tasks are, absolutely, a fundamental part of the therapy. They may take up to several days or weeks to complete. The tasks are directly related to the circumstances that created the problem. **YOU MUST DO THEM.** If you do not, then neither you nor we can predict the outcome of the therapy. Certainly, any guarantees will not be valid if you do not do the tasking.

Secondly, **you must stubbornly focus on what you want.** The people who are the happiest over-all in life are those who recognise that you have a choice to focus on what you don't want or what you do want. You can focus on negative emotions and things that make you feel bad, or you can focus on positive emotions and things that make you feel good. It is your choice. After the session, **YOU MUST FOCUS ON WHAT YOU WANT.**

Finally, if your old pattern rears its ugly head, then you must refuse to run that pattern again. Please remember that we have the utmost total and complete respect for you and absolutely no respect for your old problem. You will be given strategies on how to ensure you are able to pull yourself out of these negative thinking patterns.

#### 4. Upon completion of the program:

It is recommended that once completing the one-on-one session five-month program with Tamra that you complete the **Remarkable Relationships** 3-month online course, so that you may learn how to clear your own limiting beliefs, tune into your True Self and become your own healer.
